Press Release

Rego Consulting acquires Project Portfolio Consulting Group LLC

CA Clarity™ PPM users to immediately benefit from enhanced solutions and services.

Centerville, UT, April 5, 2011: Rego Consulting Corporation (“Rego”) announced today that it has completed the acquisition of Project Portfolio Consulting Group LLC (“PPCG”). PPCG is the leading provider of training & consulting services to companies that use CA Clarity PPM, an enterprise project portfolio management solution from CA Technologies. Since 2002, PPCG has delivered services to more than 90 companies and government agencies that use CA Clarity PPM, including AutoZone, Charter Communications, Erie Insurance, Fiserv and SunGard. PPCG has earned a reputation as the premier provider of formal classroom training programs for companies that run CA Clarity PPM. Rego is one of the fastest growing consulting firms servicing the unique needs of CA Clarity PPM customers, and offers services that enable rapid time-to-value and maximum ROI. The combination of Rego and PPCG creates a powerful force, capable of delivering larger and more complex global implementations of CA Clarity PPM.

Rego and PPCG have been working closely together for more than 4 years, and clients such as HSBC, L.L. Bean, and Chubb Insurance have seen the benefits of the partnership. PPCG will continue to focus on developing and delivering innovative training solutions that enable maximum end-user adoption of CA Clarity PPM. “We welcome the more than 90 customers of PPCG to Rego, and look forward to being able to expand our relationship in ways that add mutual value” says Daniel Greer, Founder & President of Rego. “Rego’s customers will immediately benefit from the world-class training programs offered by PPCG” says George Trainor, Vice President of Sales & Operations.
